Preface

We, from Hamil Al-Yami Contracting Establishment a general contractors in various fields of civil, mechanical, electrical and electronic works hereby confirms all stated experiences as our prelude to attest our capabilities and performances in executing all works according to the standards and specification set forth by our well respected clients.

As we are prospecting to our possible clients and future business partners, we are honored to present to you our related experiences that could give each one of you the information you need to know our services offered executed in a timely manner and professionalism.

Moreover, we service to the interest and satisfaction of our clients by giving them the priority of importance, deal them with respect and offer them our wider perspective to come up with a very friendly and harmonious business relationship.

We do swear that all information provided herewith is truly according to our capabilities and expertise.

We remain.

*Hamil Al-Yami
President*

Hamil Al-Yami Contracting Establishment was established and founded by its President and founder Mr. Hamil Khuraya Al-Yami in the year 1990.

Hamil Al-Yami Establishment is a 100% Saudi Owned Company and registered with Ministry of Industry and Chamber Commerce under Commercial Registration No. 2059001035

During the founding period, Hamil Establishment was engaged with the following works such as but not limited to the following:

- Building Construction projects
 - a) Shopping complex
 - b) Housing complex
 - c) Other building construction and maintenance works.

In later years, the establishment was able to start subcontract works with Saudi Aramco through awarded Short Form Contracts in Saudi Aramco Pipeline and Facilities Maintenance which includes works such as but not limited to the following:

- Concrete Foundation repair and maintenance
- Construction of new drum foundation
- Concrete demolition and installation work
- Excavation and backfilling of pipelines and cables
- Repair of damage foundations
- Other various related works to S.A. Pipeline maintenances.

In recognition of the outstanding performance executed by Hamil Al-Yami Est., Saudi Aramco has awarded the **RTR PIPE REPAIR** projects under contract # 6600043190 for a Fourth time running, with effect from 2019 up to 2022. Scope specified under the contract covers the following works such as but not limited to the following.

- Excavation
- Dewatering
- Shoring
- RTR pipe installation and repair services
- Pipe section replacement
- Thrust blocking
- Backfilling
- Compaction
- Asphaltting
- Concreting and other related work activities.

All works was executed in a professional manner with the supervision of our well-equipped site supervisors, foreman and skilled manpower as a whole following the required specification and standards set forth by Saudi Aramco.

In recognition of the outstanding performance executed by Hamil Al-Yami Est., Saudi Aramco has awarded the **MINOR ROADS MAINTENANCE SERVICES Projects** under contract # 6600028520 for a Second time running, with effect from 2012 up to 2016. Scope specified under the contract covers the following works such as but not limited to the following:

- Hot mix asphalt concrete.
- Base, sub-base, sub-grade and earthworks construction.
- Skid roads.
- Sand control.
- Concrete including sidewalks, curbs, gutters and other concrete structures.
- Road marking.
- Road sign installation.
- Traffic signal installation.
- Traffic signal maintenance, and
- Fence (repair & construction).

Moreover, Saudi Aramco has awarded to Hamil Al-Yami Cont. Est. the **MISC CIVIL MAINT. AT JUAYMAH NGLF MAINT D Projects** under Saudi Aramco Contract No. 6600028890, a Long Form Contract starting from August 2012 and valid up to March 2018. Scope specified in our contract covers the following works such as but not limited to:

- Hot mix asphalt concrete.
- Base, sub-base, sub-grade and earthworks construction.
- Skid roads.
- Refractory jobs in Boiler.
- Concrete including Foundations, Floor Slab, Retaining walls
- Water Proofing.
- Sand Blasting.
- Coating, Weather proof painting
- Small scale construction
- Epoxy Grout Injection work
